TD FRESH IMPRESSION

At TD Fresh Impression, we offer an à la carte menu of additional services to customize your cleaning experience. All extra services must be scheduled in advance to ensure efficiency and maintain our high standards. This allows us to allocate time, equipment, and resources to complete each task thoroughly. Pricing is based on recurring services.

How to Add Services:

- When booking your cleaning, please indicate which additional services you'd like from our à la carte Menu.
- We will adjust the schedule and pricing accordingly to ensure that we can complete all the tasks you requested without compromising quality.
- Same-day service additions are not available, as our cleaning schedules are carefully planned in advance.

Service Limitations & Exclusions:

While we strive to offer a wide range of cleaning services, some tasks are outside our scope due to safety concerns, specialized requirements, or time constraints. We do not handle biohazard cleanup, heavy furniture moving, high-reach areas (3' step stool), or specialized cleanings such as grout restoration or post-construction debris removal.

By planning your service selections ahead of time, we can provide a seamless, high-quality cleaning experience tailored to your needs. Contact us in advance to customize your cleaning with our à La Carte options!

Additional Requests:

For any services not listed in our à La Carte menu, please contact us directly. We're happy to discuss your needs and provide customized pricing upon request.
